Dead woman was Livermore native

MARTINEZ — The Contra Costa Coroner's Office identified the woman whose body was found in Tilden Park Saturday as Deanna Butterfield, 21.

~~Butterfield was a native of Livermore, where she attended Granada High School, but it is not known where she lived recently.~~

An autopsy was performed Monday, but the coroner did not state a cause of death pending

the results of toxicological tests.

Butterfield is survived by her mother and stepfather, Jymiece and William Silva of Livermore; her father, Dale Butterfield of Tracy; and a 4-year-old daughter, Melisa Gancas, of Livermore.

Family members said she moved out of the house about a year ago and they did not know where she has been or who her friends were.
